

MOBILE & MANUFACTURED HOMES

1. They must meet the Michigan State Standard Code Requirements.
2. Must have a 4/12 pitch.
3. Must not have a vehicle ID# or car title.
4. Must be a manufactured and not a mobile home.
5. Must meet the integrity of the neighborhood.
6. Must be on a permanent foundation.

Hud house - we don't inspect the plumbing. It has already been inspected by the federal government. We just check the hook up.

State house - we need to inspect everything. Permits are pulled like a new construction.
