AGREEMENT

THIS AGREEMENT is entered into this 1st day of January, 2023, between the Charter Township of Chesterfield, Macomb County, Michigan ("Employer") and the Police Officer's Labor Council ("Union"). It is the intent and purpose of this Agreement to assure a sound and mutually beneficial working and economic relationship between the parties hereto, and to provide a peaceful and orderly means of resolving any misunderstanding which may arise and to set forth herein this agreement between the Parties concerning rates of pay, hours of employment and other working conditions.

ARTICLE 2

RECOGNITION

- A. Under the provisions of Act 379 of the Public Acts of 1965 of the State of Michigan, the Employer recognizes the Union as the exclusive collective bargaining representative for the Employees in the defined bargaining unit for the purposes of bargaining with respect to wages, hours of employment, and other working conditions.
- B. The bargaining unit shall consist of all Police Officers, Detectives and Dispatchers of the Chesterfield Township Police Department.
- C. The Township will not interfere with, discourage, restrain, or coerce bargaining unit members from engaging in any lawful activities therein. The Township will negotiate with the Union on items relating to rates of pay, wages, hours, conditions of employment and fringe benefits.

ARTICLE 3

MANAGEMENT RIGHTS

- A. The Charter Township of Chesterfield, on behalf of the Electors of Chesterfield Township, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Michigan and by the generality of the foregoing, the right:
 - 1. Of exclusive management and control of the government systems, its property, facility, operation and affairs.
 - 2. To hire Employees, determine their qualifications, dismissal, demotion, suspension or layoff; to determine the number and scheduling of all employees; to promote or transfer all Employees; to determine the size of the work force; and to assign duties to, and to direct and treat all Employees equally and fairly.
 - 3. To determine those services, supplies and equipment which are necessary in providing its services; to determine all methods and means of distributing, disseminating its services, methods, scheduling, and standards of operations; to determine the means, methods and processes of carrying on its services and duties; and to determine any changes in the proceeding including

innovative programs and practices. Any contracting or sub-contracting shall adhere to applicable inter-governmental transfer laws.

4. To sub-contract bargaining unit work when an immediate and unforeseen emergency places demands which exceed the manpower capabilities of the Police Department. All other sub-contracting shall be subject to collective bargaining, except in no event shall the employer sub-contract bargaining unit work if a member is on layoff or it would cause a layoff.
 5. To determine the number and location or relocation of its facilities.
 6. To determine all financial practices and policies, including all accounting procedures, and all other matters pertaining to the public relations of the Township of Chesterfield.
 7. To determine the size of the management organization, its functions, authority, amount of supervision, and table of organization. To manage its affairs efficiently and economically, including the determination of quantity and quality of service to be rendered.
- B. The reasonable and responsible exercise of the foregoing powers, rights, authorities, duties and responsibilities by the Township of Chesterfield, the adoption of reasonable policies, rules, regulations and practices and furthermore, the use of judgment and discretion in connection therewith shall be limited only by the terms of this Agreement.

ARTICLE 4

NO STRIKE/WORK STOPPAGE

The Union agrees that during the life of this Agreement, it will not cause, encourage, participate in or support any strike or picketing against the Employer, or any slow down or the interruption of, or interference with, the functions of the Employer. Violation of the provisions of this Article shall be grounds for disciplinary action up to and including discharge.

ARTICLE 5

UNION DUES/SECURITY

- A. A bargaining unit employee may sign an authorization for deduction of dues/fees for membership in the Union. The authorization for deduction of dues/fees may be revoked by the bargaining unit member upon written notice to the Employer, with copy to the Union and shall cease in accordance with the Union's by-laws and governing documents.
- B. The Employer shall not make any dues deductions without proper, written authorization from the affected employee. The amount of dues/fees shall be designated by written notice from the Union to the Employer. If there is a change in the amount of dues/fees, such change shall become effective the month following transmittal of the written notice to the Employer. The Employer shall deduct the dues/fees on a bi-weekly basis from the pay of the employees that have authorized such deductions.
- C. Deduction of dues/fees shall be remitted to the Union. In the event a refund is due an employee for any sums deducted from wages and paid to the Union, it shall be the responsibility of such employee to obtain the appropriate refund from the Union.

- D. If an authorized deduction for an employee is not made, the Employer shall make the deduction from the employee's next pay after the error has been called to the Employer's attention by the employee or Union.
- E. The Union will protect, save harmless and indemnify the Employer from any and all claims, demands, suits and other forms of liability by reason of action taken by the Employer for the purpose of complying with this article of the agreement.
- F. Unless otherwise provided in this article, all matters pertaining to a bargaining unit employee establishing or reestablishing membership in the Union, including requirements established by the Union for providing paid services to non-union bargaining unit employees, if permissible shall be governed by the internal conditions mandated by the Union pursuant to its authority under section 10(2) of the Public Employment Relations Act.

ARTICLE 6

SENIORITY

- A. Seniority shall not be affected by race, sex, age, marital status, or any other protected class.
- B. New Employees hired shall be considered as probationary Employees for the first three hundred and sixty-five (365) calendar days of their employment.
- C. The Union shall represent probationary Employees for the purpose of bargaining in respect to rates of pay, hours of employment, and working conditions, provided that any discipline or discharge of a probationary Employee will not be subject to the Party's grievance procedure contained herein.
- D. The Employer will keep the seniority list up to date and will provide the Union with a written copy of said list the first week in each January, the first week in each July and any time the said list changes.
- E. Upon satisfactory completion of the probationary period, as outlined in this Agreement, seniority will commence from the first date of employment.
- F. Length of service is a period of continuous and unbroken employment with the Township, dating from the most recent date of full-time employment.
- G. This seniority date shall be for the purpose of establishing economic benefit levels (excluding layoffs which shall be the actual date of full-time employment) and shall exclude non-economic provisions, i.e., PTO selection, etc. PTO selection, shift pick and eligibility for promotion shall be based upon time as a Sworn Officer with the Chesterfield Township Police Department.
- H. A bargaining unit member who promotes out of the bargaining unit shall be allowed to return to the bargaining unit in the event of a demotion or resignation. Should the demotion or resignation occur during the probation period, the member shall have seniority continued unbroken. In the event that the demotion or resignation occurs after the probation period is over, bargaining unit seniority will not include time in any other bargaining unit for purposes of PTO election and shift pick.

ARTICLE 7

LOSS OF SENIORITY

An Employee will lose seniority if:

- A. The Employee quits, resigns, retires or dies.
- B. The Employee is discharged and the discharge is not reversed through the procedures set forth in this Agreement.
- C. The Employee is absent for three (3) consecutive scheduled working days without notifying the Employer. After such absence, the Employer will send written notification to the Employee at his/her last known address that he/she has lost seniority and employment has been terminated.
- D. The Employee does not return to work when recalled from layoff as set forth in the recall procedure.
- E. The Employee fails to return at the conclusion of a sick leave or leave of absence after the expiration of the sick leave or its approved continuances or the leave of absence. This will be treated in the same manner as Paragraph 3, above. Seniority will not be affected under the provisions of the Family Medical Leave Act.
- F. An Employee will lose seniority if the Employee is off work for eighteen (18) consecutive months as the result of a non-duty related disability. The parties agree that the phrase "loss of seniority" does not afford Employer the right to terminate Employee's employment.

ARTICLE 8

LAYOFF AND RECALL

A. Layoff:

- 1. The word "layoff" means reduction of the work force.
- 2. In the event of a layoff, Employees will be laid off in inverse order of their bargaining unit seniority in the following order; first, probationary Employees and then by bargaining unit seniority.
- 3. Employees to be laid off for an indefinite period of time will be given at least fourteen (14) calendar days' notice of layoff. The Union steward will receive a list from the Employer of the Employees being laid off on the same date the notices are issued to the Employee(s).

B. Recall:

- 1. When the work force is increased after a layoff, Employees will be recalled according to their seniority date with the last person being laid off being the first person recalled.
- 2. Notice of recall shall be sent to the Employee at his/her last known address by certified mail

3. If an Employee fails to contact the Director of Public Safety and/or the Human Resources Department within three (3) days of receipt of said notice of recall, he/she shall be considered a voluntary quit.
4. The Employer agrees that no new employees will be hired until the recall list has been exhausted.

ARTICLE 9

UNION BARGAINING COMMITTEE

- A. The Bargaining Committee for the Union will include not more than four (4) Employees of the Employer and no more than one (1) non-Employee representative of the Union. Prior to any negotiation meetings between the Employer and the Union, the Union will furnish the name of all members of the Bargaining Committee to the Employer.
- B. There will be no discrimination against any Employee because of his/her Union affiliation or his/her duties as a member of the Bargaining Committee.
- C. In the event that the negotiation meetings are held at the time when an Employee representative would normally be on duty, said Employee will be paid at his/her regular rate, but only those hours that he/she would have normally been working.

ARTICLE 10

UNION RELEASE TIME

It is acknowledged by the Parties that all Bargaining Unit represented employees have regular duties to perform and are first employees of the Township. Therefore, such representatives and employees will not leave their duties without first obtaining the permission of their Department Head and/or designee. Requests for Union release time, paid or unpaid will not be unreasonably withheld. The contract language provides that union release time is for formal special conferences, to investigate and process grievances, and or disciplinary matters, not for general discussion or social union meetings.

It is the intent of the Parties that union release time will be utilized in the manner that will least interfere with department operations.

ARTICLE 11

SPECIAL CONFERENCES

During the term of this Agreement, special conferences between the Employer and the Union may be held at any time both parties agree. Such requests must specify the items to be discussed and no other business except that set forth in the request may be discussed.

ARTICLE 12

REPRESENTATIVES

- A. One (1) of the four (4) Employee representatives on the Bargaining Committee shall be designated by the Union to act as Chief Steward, one of the other representatives will act as Alternate Steward, for the purpose of processing grievances. All other matters will be taken care of by the full Bargaining Committee. Any of the other three (3) representatives may act as Alternate Steward, as appointed by the Chief Steward.
- B. In the event that it becomes necessary for the Chief Steward or Alternate Steward to process a grievance on what would be normal duty time, he/she shall be paid at his/her regular rate for that time just as though he/she were working, provided, however, that such time spent must be kept at a minimum and be reasonable and no overtime shall be paid for the processing of a grievance.

ARTICLE 13

GRIEVANCE PROCEDURE

- A. The Parties intend that the grievance procedure as set forth herein shall serve as a means for a peaceful settlement of all disputes that may arise between them concerning the interpretation or operation of this Agreement without any interruption or disturbance of the normal operation of the Employer's affairs.
- B. Any Employee having a grievance in connection with his/her employment must present it to the Director of Public Safety within ten (10) days after the date the Employee/Union knew or should have known of the alleged violation. The Union may submit a class-action grievance provided it alleges the violation of a specific article or paragraph in which the results would be the same for each Employee involved in the grievance. Grievances must be presented as follows:
 1. STEP 1: VERBAL – DIRECTOR OF PUBLIC SAFETY: The Employee or Union representative must first discuss the specific grievance with the Director of Public Safety. A Union Representative shall be present at this meeting; otherwise, the disputed issue(s) shall not be considered a formal grievance, as outlined in this Article. The Director of Public Safety shall attempt to adjust the matter consistent with the terms of this Agreement as soon as possible, and shall, within five (5) days give a verbal answer to the Employee and the Union Representative.
 2. STEP 2: WRITTEN – HUMAN RESOURCES: If the grievance is not settled at the verbal step, a written grievance may be filed by the Union Representative with the Human Resources Department within ten (10) days after the Director of Public Safety's response at Step 1. The grievance shall state the specific portion(s) of the contract that have been allegedly violated and the specific remedy. A meeting shall be held between the Parties within fifteen (15) days of receipt of the written grievance by the Director of Human Resources Department to discuss the grievance. Within ten (10) days after the completion of the meeting, Human Resources shall give a written response.
 3. STEP 3: GRIEVANCE APPEAL PROCESS: The Parties, if mutually agreeable, can utilize the services of a mediator provided through the Michigan Employment Relations Commission (MERC). While mediation is an attempt to resolve the grievance in a manner that is satisfactory to both Parties, such mediation shall not be binding on any of the Parties. At the conclusion of the mediation process, if the Parties do not resolve the grievance in writing, the Parties shall sign a joint written statement that the grievance is unresolved.

4. STEP 4: ARBITRATION: If the grievance is not satisfactorily settled at Step 2, the Union has twenty (20) days from the date of receipt of the Step 2 written statement to apply for arbitration with the Michigan Employment Relations Commission (MERC), or the Federal Mediation and Conciliation Service (FMCS), if it involves an alleged violation of a specific article and paragraph of the Agreement. If the Union fails to request arbitration within this time limit, the grievance shall be deemed not eligible to go to arbitration. The Parties shall choose and agree upon an arbitrator by following the established process and procedure outlined by MERC and/or FMCS. The cost of arbitration shall be shared equally by the Parties.

C. Authority of the Arbitrator:

1. Any arbitrator selected shall have only the functions and authority set forth herein. The scope and extent of the jurisdiction of the arbitrator shall be limited to those grievances arising out of and pertaining to the respective rights of the Parties within the terms of this Agreement. The arbitrator shall be without power or authority to make any decision contrary to or inconsistent with in any way, the terms of this Agreement or of applicable laws, rules or regulations having the force and effect of law. The arbitrator shall be without power to modify or vary in any way the terms of this Agreement.
2. The arbitrator shall have no power to establish or modify job classifications, to establish wage rates, or to change any existing wage rate, work schedule, or assignment.
3. In the event a grievance is submitted to an arbitrator and the arbitrator finds that he/she has no jurisdiction to rule on such grievance, it shall be referred back to the Parties without an award or recommendation on the merits of the grievance.
4. To the extent that the laws of the State of Michigan permit, it is agreed that any arbitrator's decision shall be final and binding on the Union and its members, the Employee or Employees involved, and the Employer, and that there shall be no appeal from any such decision unless such decision shall extend beyond the limits of the powers and jurisdiction herein conferred upon such arbitrator.
5. In matters concerning discipline imposed, the arbitrator shall have the authority to sustain, overrule or mitigate the disciplinary action.
6. The decision of the arbitrator shall be in writing and due within thirty (30) days of the close of the hearing. This time limit may be waived by mutual written consent of the Parties.
7. The fees and approved expenses of an arbitrator will be shared by both Parties.

D. General Conditions:

1. The Parties, in recognition of the cost of arbitration and the principle that like facts should produce like results, hereby agree that once an Employee has elected to pursue a remedy by State or Federal Statute or Ordinance for alleged conduct which may also be a violation of this Agreement, such Employee shall not have simultaneous resort to the grievance procedure and any grievance then being processed shall be deemed withdrawn by the Party filing.
2. Computation of Back Wages: All claims for back wages shall be reduced by any unemployment compensation received during the period in question.

3. Time of Appeals: Any grievance not appealed within the time specified in the particular step of the grievance procedure, shall be considered settled and not subject to further review. In the event that the Employer shall fail to supply the Union with its answer in writing to the particular step within the specified time limits, the grievance shall be deemed automatically positioned at the next step with the time limit for exercising said appeal, commencing with the expiration date of the Employer's period for answering.
4. Nothing contained herein shall be intended to limit an Employee's right to discuss normal customary administrative situations with his/her immediate Supervisor.
5. Nothing contained herein shall be deemed to limit the rights guaranteed by existing statutes or court decisions.
6. Time limits may be extended or shortened by mutual written consent of the Parties.
7. All references to days as they pertain to the grievance procedure shall mean working days, i.e., Monday through Friday. They do not include Saturdays, Sundays and designated holidays.
8. Records, reports and other information pertaining to a grievance which is requested by the Union shall be made available to the Union, provided the proper representative of the Union makes a request for the specific document referenced above.

ARTICLE 14

DISCIPLINE AND DISCHARGE

- A. Discipline and/or discharge shall be for just cause. Nothing contained herein, however, shall deprive the Employee of the grievance procedure.
- B. The Employer shall provide the Employee with charges and specifications, in writing, at the time of discipline or discharge, with copies to the Union. An exception to this Section will occur when, by the necessity to immediately discipline or discharge an Employee, it is not possible for the Employer to provide in writing the charges prior to taking action. In these instances, the Employer shall, within twenty-four (24) hours of the initial action, provide to the Employee and Union in writing the charges supporting the discipline or discharge.
- C. Upon written request of the Employee, the Employer or its designee may discuss the discipline or discharge with the Employee and his/her Chief Steward or designee.
- D. Should the disciplined or discharged Employee consider the discipline or discharge improper, the matter may be referred to the grievance procedure at Step II provided, however, the discipline or discharge of a probationary Employee is not subject to the grievance procedure.
- E. In imposing any discipline on a current charge, the Employer will not take into account any prior infractions which occurred more than two (2) years previously, provided that like offenses committed by the Employee are exempt from this section.

F. Written reprimands for minor offenses, not resulting in disciplinary time off, shall be removed from the Employee's personnel file two (2) years subsequent to the date of such reprimand, provided that no like offense is committed by the Employee during that year. At the discretion of the Director of Public Safety/Designee, removal of such documents may occur after six (6) months.

It will be the responsibility of the Employee receiving the discipline to request the removal in writing, via the chain of command, to the Director of Public Safety/Designee. If the six (6) month request is denied, the denial is not subject to a grievance.

Whenever a full-time Employee is not on the regular work schedule as described in Article 15.E., and called into work, said Employee shall be compensated at the prevailing overtime rate. In no event, shall one Employee be permitted to switch a shift with another Employee, the result of which would create overtime or stand-by pay.

- B. Court Time: Employees who are required to appear in Court, implied consent hearings or depositions at a time they are not scheduled to work, shall be paid one and one half (1 1/2) times the Employee's regular rate of pay for a period of three (3) hours minimum only in those instances in which the Court time is not contiguous with their regularly scheduled shift. In those shifts, the Employee shall receive a minimum of one (1) hour.

Whenever an off-duty Employee is placed on stand-by status, his/her pay shall be determined by whether such Employee is actually called to court the day of stand-by status. DRUG POLICY

- SUBJECT:** DRUG TESTING POLICY S.O.P.: #04-1.506
- PURPOSE:** The purpose of this order is to provide all Employees with notice of the provisions of the departmental drug testing program
- SCOPE:** To all Chesterfield Township Police Department personnel
- POLICY:** It is the policy of this department that the critical mission of law enforcement justifies maintenance of a drug-free work environment through the use of a reasonable Employee drug-testing program.

The law enforcement profession has several uniquely compelling interests that justify the use of Employee drug testing. The public has a right to expect that those who are sworn to protect them are at all times both physically and mentally prepared to assume these duties. There is sufficient evidence to conclude that the use of controlled substances and other forms of drug abuse will seriously impair an Employee's physical and mental health and thus, job performance.

Where law enforcement Employees participate in illegal drug use and drug activity, the integrity of the law enforcement profession and public confidence in that integrity are destroyed. This confidence is further eroded by the potential for corruption created by drug use.

Therefore, in order to ensure the integrity of the department and to preserve public trust and confidence in a fit and drug free law enforcement profession, this department will implement a drug testing program to detect prohibited drug use by Employees.

The initial and confirmatory test cutoff levels of this order are the same as that of MCOLES and the United States Government, which was published in the Federal Register, volume 54, number 230, dated December 1, 1989. These cutoff levels are subject to change by the Department of Health and Human Services as advances in technology or other considerations warrant identification of these substances at other concentrations. The standards for both MCOLES and the United States Government will be reviewed annually by the Director of Public Safety/Designee and the POLC. 3. Some Positions may have written examinations, others may not
4. Oral Board Interview

The list will be established in order by each candidate's overall process score. In the event another identical opening would occur within the one (1) year period, the candidate at the top of the list shall be offered the position; providing nothing has occurred that would disqualify the candidate. Examples of disqualification would be termination, and/or disciplinary issues with the candidate. If this candidate refuses the position or is disqualified, the offer would be extended to the next candidate on the list. In the event two (2) Employees end up tied on the eligibility list, the candidate with the greater seniority shall prevail. This process will continue until the list is exhausted or the one (1) year time period expires.

ARTICLE 40

PATROL EQUALIZED OVERTIME

To ensure equalized overtime of Employees, within the classifications on a voluntary basis and effectively manage the assigning of involuntary overtime when an Employee is mandated to work.

- A. All members of the Road Patrol shall be placed on a list by seniority. When an Officer works overtime, their total number of hours worked shall be added to the overtime list. The hours of overtime worked shall be accrued on such list for each Officer. For purposes of the overtime list, court time and hours worked over on a shift for the purpose of completing an assignment (reports, etc.) shall not be included. Any mandatory time worked (i.e. Special Events, prisoner watch) shall be added to the overtime book.
- B. In the event there is a Patrol overtime shift with more than seventy-two (72) hours' notice, the Shift Supervisor shall post it as soon as reasonably possible and send a department email to Patrol, indicating the date and hours of the available shift. Said shift shall be posted in the Command cubicle and Officers shall be permitted to sign up for the shift. Shifts posted more than seven (7) days in advanced of the overtime shift will be filled after four (4) days (96 hours) of being on the overtime sign up list. The shift shall be granted to the Officer from the list with the least number of accrued hours on the books. If no Officers have voluntarily signed up within the first ninety-six (96) hours, the shift will be given to the first Officer to sign up thereafter. Shifts not filled within the first ninety-six (96) hours will be offered to Detectives to fill voluntarily. In the event the Department becomes aware of an overtime shift with less than seventy-two (72) hours' notice, the Shift Supervisor will attempt to fill the shift as soon as reasonably possible by contacting all Officers available for the shift. Said shift shall also be posted in the command cubicle and Officers shall be permitted to sign up for the shift. In the event the shift

assignment is not filled by a volunteer, within seventy-two (72) hours of the start of the shift, the Department will refer to the equalized overtime book and the shift assignment will be filled by ordering in the eligible Officer with the least hours on the books that is working during any of the preceding seventy-two (72) hours contiguous to the shift. If at any time during that seventy-two (72) hour period an Officer volunteers for the shift in which an Officer has been ordered to work, the shift shall be granted to the voluntary Officer. Shifts not filled voluntarily shall be offered to eligible Detectives.

- C. In the event that the total overtime hours of two (2) or more members are the same and they are the low hour members, the overtime will be worked by the least senior of those Officers.
- D. Members that are already scheduled off on compensatory, PTO, SA, sick or disability days the date of, or contiguous to, the ordered overtime shift will not be considered available to be ordered in for the shift. If a member can show proof of a prior reservation for the day being ordered (i.e., prepaid flight, hotel) they will not be considered as available to be ordered.
- E. In the event the Department becomes aware of an overtime shift less than seventy-two (72) hours but more than twenty-four (24) hours from the start of the shift, the Department shall contact available Officers by order of hours of overtime worked, starting with the Officer with the lowest amount of hours in an attempt to fill the assignment with a volunteer. Once the list of Patrol Officers has been exhausted, the shift shall be offered to Detectives. Contact will be made by telephone and a message with the date and time of the available shift shall be left. Should the Officer not answer their phone or message, the call will be counted as a denial for equalization purposes. The first Officer to accept this shift shall be granted the shift, regardless of hours on the books. In the event that there is no volunteer for the shift, it will be filled by ordering in from the established overtime list of eligible Officers as referenced above. In the event the list of all Officers available to be ordered in is exhausted, Officers working the shift preceding the overtime will be ordered over following the process in Paragraph F.
- F. In the event that the Department becomes aware of an overtime shift with twenty-four (24) hours or less notice, said shift will be filled by contacting the Officers currently working to request a volunteer. In the event of no volunteers, the Shift Supervisor will call from the overtime list for volunteers. If the list of Patrol Officers is exhausted, the shift shall be offered to Detectives. If the shift is not filled voluntarily, the two (2) Officers with the least accrued overtime hours working the shift immediately prior to the overtime shift will be held over. Of these two (2) Officers, the one with the most overtime hours will pick which half of the overtime shift they wish to work. Any Officer who is working an overtime shift shall not be deemed eligible to be ordered to work unless an emergency is deemed.
- G. Should a situation arise that requires the order in or order over of a member on a second shift within a seven (7) day period of being ordered, the next member with the second least number of overtime hours shall be ordered in or ordered over. If during any seven (7) day period all members from a shift have been ordered in or ordered over, the list will start anew at the member with the least number of overtime hours accrued.
- H. In the event that a member uses contractual time off in lieu of working overtime, eighteen (18) hours shall be deducted from their overtime equalization total. This shall be at progressive in nature for additional failures to show (ex: 18, 36, 54, etc.). If contractual time off is used, in lieu of working overtime, the time will be deducted from the appropriate contractual time bank at straight time rate.
- I. For purposes of equalization, on the first day of the six (6) month schedule, all Employees shall be deemed to have worked zero (0) hours' overtime. Any overtime shifts that are filled within the first fourteen (14) days of a new schedule will be added to the preceding equalized overtime list.

- J. No member may voluntarily sign up for two (2) consecutive eighteen (18) hour shifts unless there is a minimum of twelve (12) hours between the shifts.
- K. In the event of overtime necessary for special events (Air Show, Car Show), Employees may be ordered to fill the overtime within thirty (30) days of the event. A special event is described as any event requiring a minimum of thirty-three percent (33%) of the road patrol personnel or it is deemed that an extra Dispatcher is needed. In the event the list of all eligible members to be ordered for a special event is exhausted, Detectives may be ordered to fill the vacant overtime for patrol.
- L. When an Employee has been removed from the regular shift schedule for an extended period of time greater than thirty (30) calendar days (suspension, workers' compensation, leave of absence, disability, special assignments) the Employee will be averaged into the overtime book on the date they return to work.

ARTICLE 41

DISPATCHER EQUALIZED OVERTIME

To ensure equalized overtime of Employees, within the classifications on a voluntary basis and effectively manage the assigning of involuntary overtime when an Employee is mandated to work.

- A. All members of the Dispatch shall be placed on a list by seniority. When a Dispatcher works overtime, their total number of hours worked shall be added to the overtime list. The hours of overtime worked shall be accrued on such list for each Dispatcher. Any mandatory time worked (i.e., Special Events) shall be added to the overtime book.
- B. In the event there is a Dispatch overtime assignment with more than seventy-two (72) hours' notice, the Shift Supervisor shall post it as soon as reasonably possible and send a department email to Dispatch, indicating the date and hours of the available overtime shift. Said shift shall be posted in the Command cubicle and Dispatchers shall be permitted to sign up for the shift. Shifts posted more than seven (7) days in advanced of the overtime shift will be filled after four (4) days (96 hours) of being on the overtime sign up list. The shift shall be granted to the Dispatcher from the list with the least number of accrued hours on the books. If no Dispatchers have voluntarily signed up within the first ninety-six (96) hours, the shift will be given to the first Dispatcher to sign up thereafter. Shifts not filled within the first ninety-six (96) hours will be offered to part-time Dispatchers to fill voluntarily. In the event the Department becomes aware of an overtime shift with less than seventy-two (72) hours' notice, the Shift Supervisor will attempt to fill the shift as soon as reasonably possible by contacting all Dispatchers available for the shift. Said shift shall also be posted in the command cubicle and Dispatchers shall be permitted to sign up for the shift. In the event the shift assignment is not filled by a volunteer, within seventy-two (72) hours of the start of the shift, the Department will refer to the equalized overtime and the shift assignment will be filled by ordering in the eligible Dispatcher with the least hours on the books that is working during any of the preceding seventy-two (72) hours contiguous to the shift. If at any time during that seventy-two (72) hour period a Dispatcher volunteers for the shift in which a Dispatcher has been ordered to work, the shift shall be granted to the voluntary Dispatcher. Shifts not filled voluntarily shall be offered to part-time Dispatchers.
- C. In the event that the total overtime hours of two (2) or more members are the same and they are the low hour members, the overtime will be worked by the least senior of those Officers.

- D. Members that are already scheduled off on compensatory, PTO, SA, personal, sick or disability days the date of, or contiguous to, the ordered overtime shift, will not be considered available to be ordered in for the shift. If a member can show proof they have reservations that were made prior to being ordered (i.e., prepaid flight, hotel) they will not be considered as available to be ordered. Dispatchers will only be allowed to be exempt from being ordered in using reservations three (3) times during their six (6) month rotation (September-March/March-September).
- E. In the event the Department becomes aware of a Dispatch overtime shift less than seventy-two (72) hours but more than twenty-four (24) hours from the start of the shift, the Department shall contact available Dispatchers by order of hours of overtime worked, starting with the Dispatcher with the lowest amount of hours in an attempt to fill the assignment with a volunteer. Once the list of full-time Dispatchers has been exhausted, the shift shall be offered to part-time Dispatchers. Contact will be made by telephone and a message with the date and time of the available shift shall be left. Should the Dispatcher not answer their phone or message, the call will be counted as a denial for equalization purposes. The first Dispatcher to accept this shift shall be granted the shift, regardless of hours on the books. In the event that there is no volunteer for the shift, it will be filled by ordering in from the established overtime list of eligible Dispatchers as referenced above. In the event the list of all Dispatchers available to be ordered in is exhausted, Dispatchers working the shift preceding the overtime will be ordered over following the process in Paragraph F.
- F. In the event that the Department becomes aware of an overtime shift with twenty-four (24) hours or less notice, said shift will be filled by contacting the Dispatchers currently working to request a volunteer. In the event of no volunteers, the Shift Supervisor will call from the overtime list for volunteers. If the list of full time Dispatchers is exhausted, the shift shall be offered to part-time Dispatchers. If the shift is not filled voluntarily, the two (2) Dispatchers with the least accrued overtime hours working the shift immediately prior to the overtime shift will be held over. Of these two (2) Dispatchers, the one with the most overtime hours will pick which half of the shift they wish to work. Any Dispatcher who is working an overtime shift shall not be deemed eligible to be ordered to work unless an emergency is deemed. If a part-time Dispatcher and full time Dispatcher are working the previous shift, the part-time Dispatcher will choose which part of the overtime shift they wish to work. If only one Dispatcher is needed to fill a shift, the full-time Dispatcher will be ordered over before the part-time Dispatcher.
- G. Should a situation arise that requires the order in or order over of a member on a second shift within a seven-day period of being ordered, the next member with the second least number of overtime hours shall be ordered in or ordered over. If during any seven-day period all members from a shift have been ordered in or ordered over, the list will start anew at the member with the least number of overtime hours accrued.
- H. In the event that a member uses contractual time off in lieu of working overtime, eighteen (18) hours shall be deducted from their overtime equalization total. This shall be at progressive in nature for additional failures to show (ex: 18, 36, 54, etc.). If contractual time off is used, in lieu of working overtime, the time will be deducted from the appropriate contractual time bank at straight time rate.
- I. For purposes of equalization, on the first day of the six (6) month schedule, all Employees shall be deemed to have worked zero (0) hours overtime. Any overtime shifts that are filled within the first fourteen (14) days of a new schedule will be added to the preceding equalized overtime list.
- J. No member may voluntarily sign up for two (2) consecutive eighteen (18) hour shifts unless there is a minimum of twelve (12) hours between the shifts.

- K. In the event of overtime necessary for special events (Air Show, Car Show), Employees may be ordered to fill the overtime within thirty (30) days of the event. A special event is described as any event requiring a minimum of thirty-three percent (33%) of the Road Patrol personnel or it is deemed that an extra Dispatcher is needed.
- L. When an Employee has been removed from the regular shift schedule for an extended period of time greater than thirty (30) calendar days (suspension, workers' compensation, leave of absence, disability, special assignments) the Employee will be averaged into the overtime book on the date they return to work.

ARTICLE 42

PATROL 12 HOUR SHIFT

- A. All Patrol Officers will work twelve (12) hour shifts, DAYS-0600-1800 hours and NIGHTS 1800-0600 hours. The schedule will be a fixed two (2) week rotating schedule that will result in eighty-four (84) hours being worked every two (2) weeks (see example schedule at the end of this Agreement).
- B. With the twelve (12) hour schedule, Officers will work two-hundred and fifty-two (252) hours in a six (6) week period and will receive pay for two-hundred and forty (240) hours. The additional twelve (12) hours will be earned at time and one-half (1 ½) in a time bank known as "Schedule Adjust Time" (S.A.T.). These eighteen (18) hours will be a fixed part of the schedule via the rotation that the Officer selects, permanently building them into each six (6) week period as "SA" or "SA6" days. SA time can be evenly traded amongst Officers within the same six (6) week period with prior approval (see example schedule at the end of this Agreement). SA6 time will be flexible in that the Officer can select to work either the first six (6) or last six (6) hours of their scheduled SA6 shift but the Officer must pick either the first six (6) or last six (6) hours of the shift at least seven (7) days before the scheduled SA6 day. SA time can be used to comply with the "six (6) hour rule", when the Officer has SA time available within the said six (6) week period.
- C. Training days will be a day for a day. If training is not scheduled for at least an eight (8) hour day then the Officer will be required to work after or before the scheduled training. Training time will be defined as such time spent in actual training and travel time to and from the training. Officer(s) may use contractual time via a leave request if staffing levels permit and in accordance with other provisions in the Collective Bargaining Agreement. If the training is longer than two (2) days, the following will apply:

Three (3) Training Days = two (2) patrol shifts, time worked in excess of twenty-four (24) hours in three (3) days will be compensated at time and one-half.

Four (4) Training Days = three (3) patrol shifts, time worked in excess of thirty-six (36) hours in four (4) days will be compensated at time and one-half.

Five (5) Training Days = three (3) patrol shifts, time worked in excess of forty (40) hours in five (5) days will be compensated at time and one-half.

If training is in excess of five (5) days then the Officer(s) schedule will convert to eight (8) hour days, forty (40) hours per week.

- D. "Six (6) Hour Rule" - An Officer must be off for a minimum of six (6) hours in between work assignment(s) of more than twelve (12) hours. It will be required that an Officer use contractual time to comply with the six (6) hour rule. SA time can be used to comply with the six (6) hour rule, when the Officer has SA time available within the said six (6) week period.
- E. The six (6) hours off is mandatory and the time off must be un-interrupted (ex. Court). It will be the Officers responsibility to notify the on-duty Shift Supervisor.
- F. The maximum allowed amount of time worked on the street without a rest period (six (6) hour rule) between work assignments will be eighteen (18) hours. It is understood that situations beyond the control of the Chesterfield Police Department may arise, Officers may be required to work beyond an eighteen (18) hour period.
- G. Officers working the "night shift" 1800-0600 hours shall receive a one dollar and sixty cents (\$1.60) shift premium per hour. Officers working the "power shift" 1500-0300 hours shall receive a one dollar and ten cents (\$1.10) shift premium per hour.
- H. Time-Off: On shifts on which Management has scheduled between 0-7 Officers, excluding traffic bureau and power shift, no more than two (2) Officers shall be permitted to use PTO, compensatory, personal time or SA time. SA6 will not be counted under this section unless contractual time is added making the SA6 a full-day off. Exception: Two (2) first choice PTO will be granted. In addition to the above time-off provision, one (1) additional Officer will be permitted to use a personal day to allow one (1) additional Officer off. Under no circumstances will more than two (2) Officers be allowed off on personal time. In the event the squad has already met its maximum time off requirements and one (1) of the Officers time off request is less than a full twelve (12) hour shift, another Officer may request the same full twelve (12) hour shift off for the same day. The original Officer then has the option of taking the full twelve (12) hour shift off or rescinding the original request. The second Officer requesting the full twelve (12) hour shift must put the request in at least seven (7) days prior to the requested day off.
- I. Management will make every effort to ensure Officers receive necessary breaks during their shifts.
- J. When an Officer files for disability or workers' compensation, their schedule will revert to eight (8) hour days, forty (40) hours per week, 0800 to 1600 hours, Monday through Friday.
- K. If an Officer files for disability and is required to use five (5) working days, only forty (40) hours will be required.
- L. Shift rotations will be six (6) months at a time from April through September and October through March of each year.
- M. Shift picks will be conducted in February and August of each year. Officers will pick in order of seniority. Every effort will be made to have a schedule posted by the first (1st) of February and August so that Officers can review the schedule before selecting a slot.
- N. Shift picks will be posted in the squad room and Officers, in order of seniority, will select the shift and slot they desire. Officers will be on the merit system of selecting their shifts and crossing off their name in order of seniority in a timely matter to allow every Officer adequate time to make a selection. Officers will have to the fifteenth (15th) of the month to accomplish the shift picks. In the event the picks are not completed on the fifteenth (15th) the Scheduling Command Officer will notify each Officer still remaining and a pick will need to be made within two (2) hours or the Officer will be skipped over and will get whatever slot is available at the end.

- O. Officers not currently on the schedule (disability, workers comp, etc.) will be allowed to select a shift if their return is likely to occur or does occur within the first three (3) months of the rotation. If the Officer returns during the last (3) three months of the rotation they will be placed on the schedule where there is an opening.
- P. At the time of the Officers shift pick, the Officer will have the option to choose a First Choice Vacation Pick (FCVP) which must be a minimum of four (4) contiguous PTO days with a maximum of ten (10) contiguous PTO days (ex. PT, PT, O, O, PT, PT, PT [PT = Paid Time Off, O = Off]). Seniority also counts for FCVP. Only two (2) Officers will be granted FCVP on the same date. These FCVP's must be turned into the Scheduling Command Officer no later than the fifteenth (15th) of February and August. All FCVP's must be labeled as such on the request form.
- Q. All other time off will be accepted on a first come, first serve basis on the date the schedule is posted twenty-eight (28) days prior to the start of the rotation. These time off requests will be accepted in the order they are received and should there be a tie, seniority will prevail. Time off requests will be accepted at the scheduled start time for the shift the Officer is on the newly posted schedule (ex. 6 a.m. or 6 p.m.).

DISPATCH 12 HOUR SHIFT

- A. All Dispatchers will work twelve (12) hour shifts, DAYS-0600-1800 hours and NIGHTS-1800-0600 hours. The schedule will be a fixed two (2) week rotating schedule that will result in eighty-four (84) hours being worked every two (2) weeks.
- B. With the twelve (12) hour schedule Dispatchers will work eighty-four (84) hours every two (2) weeks and will receive straight time pay for eighty (80) hours and time and a half (overtime pay) for four (4) hours being paid out bi-weekly.
- C. The goal is to have four (4) squads with two (2) Dispatchers assigned to each. In the event the squads fall below eight (8) Dispatchers, the shifts will attempt to be filled with a volunteer Dispatcher. If the shifts cannot be filled with a volunteer Dispatcher then we will revert to the time-off Policy outlined in Article 42.
- D. Training days will be a day for a day. If training is not scheduled for at least an eight (8) hour day then the Dispatcher will be required to work after or before the scheduled training. Training time will be defined as such time spent in actual training and travel time to and from the training. Dispatcher(s) may use contractual time via a leave request if staffing levels permit and in accordance with other provisions in the Collective Bargaining Agreement. If the training is longer than two (2) days, the following will apply:

Three (3) Training Days = two (2) Dispatch shifts, time worked in excess of twenty-four (24) hours in three (3) days will be compensated at time and one-half.

Four (4) Training Days = three (3) Dispatch shifts, time worked in excess of thirty-six (36) hours in four (4) days will be compensated at time and one-half.

Five (5) Training Days = three (3) Dispatch shifts, time worked in excess of forty (40) hours in (5) five days will be compensated at time and one-half.

If training is in excess of five (5) days then the Dispatcher(s) schedule will convert to eight (8) hour days, forty (40) hours per week.

- E. "Six (6) Hour Rule" - A Dispatcher must be off for a minimum of six (6) hours in between work assignment(s) of more than twelve (12) hours. It will be required that the Dispatcher use banked time to comply with the six (6) hour rule. The six (6) hours off is mandatory and the time off must be uninterrupted.
- F. The maximum allowed amount of time worked in Dispatch without a rest period (six-hour rule) between work assignments will be eighteen (18) hours. It is understood that situations beyond the control of the Chesterfield Police Department may arise, Dispatchers may be required to work beyond an eighteen (18) hour period.
- G. Forced overtime may be needed from time to time. If all other means in the Collective Bargaining Agreement have been exhausted and the shift is less than six (6) hours, the lowest seniority Dispatcher will be ordered over to fulfill the shift. If the shift is greater than six (6) hours, the two (2) Dispatchers will be ordered to fulfill the shift. Of these two (2) Dispatchers, the one with the most overtime hours will pick which half of the shift they wish to work.
- H. Dispatchers working the "night shift" 1800-0600 hours shall receive a one dollar and sixty cents (\$1.60) shift premium per hour.
- I. Management will make every effort to ensure Dispatchers receive necessary breaks during their shifts.
- J. When a Dispatcher files for disability or workers' compensation, their schedule will revert to eight (8) hour days, forty (40) hours per week, 0800 to 1600 hours, Monday through Friday.
- K. If a Dispatcher files for disability and is required to use five (5) working days, only forty (40) hours will be required.
- L. Shift rotations will be six (6) months at a time from April to September and October to March of each year.
- M. Shift picks will be conducted in February and August of each year. Dispatchers will pick in order of seniority. Every effort will be made to have a schedule posted by the first (1st) of February and August so that Dispatchers can review the schedule before selecting a slot.
- N. Dispatchers will have two (2) hours from the time they were contacted by the administration to make their picks or the Dispatcher will be skipped over and will get whatever slot is available at the end.
- O. At the time of the Dispatchers shift pick, the Dispatcher will have the option to choose a first (1st) choice PTO pick (FCVP) which must be a minimum of four (4) contiguous PTO days with a maximum of ten (10) contiguous PTO days (ex. PT, PT, O, O, PT, PT, PT [PT = Paid Time Off, O = Off]). Seniority also counts for FCVP. These FCVP's must be turned into the Scheduling Command Officer no later than the fifteenth (15th) of February and August of each year. FCVP's are by seniority.
- P. All other time off will be accepted on a first come, first serve basis on the date the schedule is posted twenty-eight (28) days prior to the start of the rotation. These time off requests will be accepted in the order they are received and should there be a tie, seniority will prevail. Time off requests will be accepted at the scheduled start time for the shift the Dispatcher is on the newly posted schedule (ex. 6 a.m. or 6 p.m.).

PATROL TIME-OFF

The Patrol Schedule will be kept and maintained in the electronic Department Scheduling System (DSS). The Master copy of the schedule will be maintained by the Administration.

- All Leave/Time Switch requests must be granted by a Shift Supervisor.
- All leave requests are to be completed and signed by the Employee and submitted to the Shift Supervisor, who will then forward it to the Administration.
- All leave requests must be applied for in the DSS system.
- In those cases where leave requests are submitted by telephone, the Employee receiving that request will indicate on it that they are doing so on the requestor's behalf.
- All requests for shift switches must be approved in advance by a Shift Supervisor documented in the DSS, the request must be approved by both Employees, and an approving Shift Supervisor. If the request is made via telephone, the approving Shift Supervisor must verify with both parties. Shift switches will become part of the Master Schedule. Allowable switches would be a straight time shift for a straight time shift. Overtime for an overtime shift would only be allowed under limited conditions, with Administration approval. Overtime for a straight time shift will not be allowed.
- All arrangements for shift switches must be completed within the next pay period.
- Compensatory and PTO requests that create overtime must be made seventy-two (72) hours in advance for twelve (12) hours or less.
- Requests for more than twelve (12) hours of PTO that create overtime must be submitted fourteen (14) days in advance.
- Time off requests that do not create overtime shall be granted within the timeframe.
- Requests for compensatory time that create overtime at the time of the request may be denied.
- Personal time requests must be made one (1) hour in advance. Personal leave will not be denied, unless two (2) Officers are already scheduled off on personal time for that shift.
- Sick time shall be granted up to one (1) hour prior to the start of the scheduled shift, unless it is unreasonably practicable under the circumstances.
- PTO and compensatory time shall be granted unless the shift will fall below forty percent (40%) of the scheduled manpower (i.e., shifts with five (5) Officers scheduled will be allowed two (2) Officers off). In cases where the forty percent (40%) creates a fractional number, the number of Officers allowed off will be rounded (i.e., six (6) Officers allows for 2.4 Officers off, two (2) actual Officers will be allowed off).

ARTICLE 46

OPERATIONAL CANINE UNIT

It is hereby agreed to by and between the Charter Township of Chesterfield (also known as the Department), and undersigned Canine Officer, as follows:

- A. In order to strengthen the relationship between the canine and Canine Officer, the canine shall live at the residence of the Canine Officer. The Canine Officer shall be responsible for the day-to-day care of the canine, including, but not limited to: cleaning, brushing, grooming, trimming, exercising, feeding, providing medications, and taking the canine to a veterinarian. The Canine Officer shall also be responsible for maintaining, cleaning and otherwise providing a safe and suitable area for the canine to live.
- B. The Parties acknowledge that it is difficult to determine the exact hours worked under these circumstances while engaged in the day-to-day care of the canine. Taking into consideration all relevant facts, the Parties to this Article have mutually agreed that twenty (20) minutes per day is a reasonable estimate of the amount of time that the Canine Officer may spend in such day-to-day care.
- C. Should the Canine Officer be required to expend additional hours engaged in extraordinary care over and above the normal day-to-day activities set forth in Paragraph A., above, the Parties recognize that he/she shall capture said time and report it to the Department for compensation.
- D. Pursuant to 207(g)(2) of the Fair Labor Standards Act (FLSA), time spent in day-to-day care of the canine, as set forth in Paragraph A., above, shall be compensated by giving the Canine Officer ten (10) hours off per month. These ten (10) hours may be taken with prior approval of the Director of Public Safety/Designee.
- E. The Canine Officer will only be required to use benefit time for time that is not compensable under FLSA. For example, if the Canine Officer is scheduled to work for thirty (30) hours in a week, but is to be compensated for forty (40) hours, he/she will only be required to use thirty (30) hours of benefit time. This provision only applies if the Canine Office continues to care for the canine on the day that the benefit time is used. If the Canine Officer boards or otherwise does not care for the canine on the day that benefit time is used, he/she will be required to use benefit time for the entire time period, including the normally compensated FLSA hours.
- F. The Canine Officer will be granted permission to take home the canine vehicle, as long as residency is maintained within a thirty (30) minute drive under normal traffic conditions from the township's borders. The vehicle is to remain locked and secured, is not to be left parked on the street, is to be garaged where possible, and is to be used for Departmental use only.

- G. In order to keep the canine and Canine Officer proficient as a team, every effort will be made to allow the Canine Officer to attend weekly canine training. The training will be on-duty as manpower allows, or rescheduling of days off within the same pay period. Training may be cancelled by the Department due to emergency circumstances and/or requests for canine services.
- H. The Canine Officer shall be given a Departmental phone and will be subject to the Township cell phone policy. The Canine Officer will be required to follow the terms and conditions of the Township's Employee Cell Phone Use Policy.
- I. The Canine Officer will be responsible for safeguarding and maintaining training narcotics.
- J. The Canine Officer will be required to acquire and maintain certification as a canine team in the following areas: tracking, narcotics detection, aggression control, building and area search, article search, and obedience.
- K. The Canine Officer will be expected to demonstrate a willingness to accept canine related off-duty call-ins.
- L. The Canine Officer will be required to document training and field-work on the Department's canine activity reports, maintain a training binder containing such reports, and make such binder available for inspection at the Department's request.
- M. The Canine Officer will not conduct canine training with the canine while off-duty, nor demonstrate, take part-in, rehearse or participate in any exercise involving the canine. All public demonstrations must be expressly approved by the Department and placed on the schedule.
- N. The Canine Officer shall not allow the canine to be used for breeding purposes.
- O. During phase one of the canine training, the team will be assigned eight (8) hour days to attend training Monday through Thursday. On Friday, the team will work for three (3) consecutive hours on the road patrol between the hours of 1500 and 0100. The remaining five (5) hours will be compensated time off to accommodate for travel time and in accordance with 207(g)(2), of the FLSA.
- P. During phase two of the canine training, the team will be assigned ten (10) hour shifts to attend training on Tuesday and Wednesday. On Thursday and Friday the team will work on the road patrol. For phase two of the canine training, and for the duration of the canine team assignment, Paragraph D. of this Article will be applied to compensate the handler in accordance with 207(g)(2) of the FLSA.
- Q. The Canine Officer will work the hours proscribed by the Employer for training days.
- R. The Canine Office is not permitted to train with any organization without prior approval from the canine unit's Shift Supervisor.
- S. Due to the high demand of a canine at public relations events and other requests for the canine team, the canine team's schedule may be modified to accommodate those needs. All requests for the canine team's appearance shall be vetted through the canine unit's Shift Supervisor.
- T. The canine handler understands that it is a job requirement that the handler demonstrates a willingness to accept related canine overtime for call-ins. Any pattern of failing to respond to call-ins or record of poor performance in handling the canine may result in a disciplinary investigation and subsequent removal from the program.

U. This Article shall remain in effect throughout the active service life of the canine. The canine may be taken out of active service at any time based on the sole discretion of the Director of Public Safety.
