AGREEMENT

THIS AGREEMENT is entered into this 1st day of January, 2023 between the Charter Township of Chesterfield, Macomb County, Michigan ("Employer") and the Police Officer's Labor Council ("Union"). It is the intent and purpose of this Agreement to assure a sound and mutually beneficial working and economic relationship between the parties hereto, and to provide a peaceful and orderly means of resolving any misunderstanding which may arise and to set forth herein this agreement between the parties concerning rates of pay, hours of employment and other working conditions.

ARTICLE 1

RECOGNITION

- A. Under the provisions of Act 379 of the Public Acts of 1965 of the State of Michigan, the Employer recognizes the Union as the exclusive collective bargaining representative for the Employees in the defined bargaining unit for the purposes of bargaining with respect to wages, hours of employment, and other working conditions.
- B. The bargaining unit shall consist of all Command Officers of the Chesterfield Township Police Department which shall include the positions of Captain, Sergeant and Lieutenant.
- C. The Township will not interfere with, discourage, restrain, or coerce bargaining unit members from engaging in any lawful activities therein. The Township will negotiate with the Union on items relating to rates of pay, wages, hours, conditions of employment and fringe benefits.
- D. The Parties agree that if the decision is made to create a position of senior officer over the rank of Captain, for example, a Deputy Director of Public Safety, such position will not become recognized as a member of the bargaining unit and will be "at-will" pursuant to the Employers Personnel Rules. Current employees may apply for the "at-will" position through the established application process, as determined by the Human Resources Department.

ARTICLE 2

MANAGEMENT RIGHTS

- A. The Charter Township of Chesterfield on behalf of the Electors of Chesterfield Township hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Michigan and by the generality of the foregoing, the right:
 - 1. Of exclusive management and control of the government systems, its property, facility, operation and affairs.
 - 2. To hire Employees, determine their qualifications, dismissal, demotion, suspension or layoff; to determine the number and scheduling of all Employees; to promote or transfer all Employees; to determine the size of the work force; and to assign duties to, and direct and treat all Employees equally and fairly.

3. To determine those services, supplies and equipment which are necessary in providing its services; to determine all methods and means of distributing, disseminating its services, methods, scheduling, and standards of operations; to determine the means, methods and processes of carrying on its services and duties; and to determine any changes in the proceeding including innovative programs and practices. Any contracting or sub-contracting shall adhere to applicable inter-governmental transfer laws.
 4. To sub-contract bargaining unit work when an immediate and unforeseen emergency places demands which exceed the manpower capabilities of the Police Department. All other sub-contracting shall be subject to collective bargaining, except in no event shall the employer sub-contract bargaining unit work if a member is on layoff or it would cause a layoff.
 5. To determine the number and location or relocation of its facilities.
 6. To determine all financial practices and policies, including all accounting procedures, and all other matters pertaining to the public relations of the Township of Chesterfield.
 7. To determine the size of the management organization, its functions, authority, amount of supervision, and table of organization. To manage its affairs efficiently and economically, including the determination of quantity and quality of service to be rendered.
- B. The reasonable and responsible exercise of the foregoing powers, rights, authorities, duties and responsibilities by the Township of Chesterfield, the adoption of reasonable policies, rules, regulations and practices and furthermore, the use of judgment and discretion in connection therewith shall be limited only by the terms of this Agreement.

ARTICLE 3

NO STRIKE-NO WORK STOPPAGE

The Union agrees that during the life of this Agreement, it will not cause, encourage, participate in or support any strike or picketing against the Employer, or any slow down or the interruption of, or interference with, the functions of the Employer. Violation of the provisions of this Article shall be grounds for disciplinary action up to and including discharge.

ARTICLE 4

UNION DUES/SECURITY

- A. On and after the thirty-first (31st) day following the beginning of employment or execution of this Agreement, whichever is later, any present or future Employees who are not a member of the Union and who have not made application for membership, shall as a condition of employment, pay to the Union, each month, a service fee equivalent to the amount of dues uniformly required of the Union.

- B. Employees who are members of the Union shall, as a matter of course, on and after thirty-one (31) days of employment, or execution date of this Agreement, whichever is later, as a condition of continued employment pay to the Union each month the dues which have been certified to the Employer by the Treasurer of the Labor Council.
- C. The Employer agrees to deduct the Union fees from the second pay of the month after receiving an executed authorization form from the bargaining unit Employee. The amounts to be deducted shall be certified to the Employer by the Executive Director of the Labor Council. The Employer shall forward such deductions to the Union, Police Officer's Labor Council, dues of members and agency shop fees of non-members.
- D. It is further agreed between the parties that in the event of litigation or claims against the Employer and/or the Union arising from this Article or any prior maintenance of membership provision of an agreement between the Employer and the Union, that the Union shall defend, settle, or pay, such claims or judgments arising from litigation, holding the Employer harmless.
- E. In the event it is subsequently determined by a Court of competent jurisdiction that the Agency Shop fees are illegal, the Agency Shop provisions shall be renegotiated by the parties.

ARTICLE 5

SENIORITY AND PROBATION PERIOD

- A. Seniority:
 - 1. Seniority shall not be affected by race, sex, age or marital status.
 - 2. The Union shall represent probationary Employees for the purpose of bargaining in respect to rates of pay, hours of employment, and working conditions, provided that any demotion of a probationary Employee will not be subject to the Parties' grievance procedure contained herein.
 - 3. The Employer will keep the seniority list up to date and will provide the Union with a copy of said list in January of each year, and any time the seniority list is modified or when a copy of the list is requested by the union.
 - 4. Upon satisfactory completion of the probationary period as stated in Paragraph B., seniority will commence from the first date of promotion to their current rank.
 - 5. Length of service is a period of continuous and unbroken employment with the Township, dating from the most recent date of full-time employment. The anniversary date shall be the most recent hiring date.
 - 6. This seniority date shall be for the purpose of establishing economic benefit levels (excluding layoffs which shall be the actual date of full-time employment) and shall exclude non-economic provisions, i.e., Paid Time Off selection, etc. Paid time off selection, shift pick and eligibility for promotion shall be based on the date of promotion to the employee's rank with the Chesterfield Township Police Department.

B. Probation Period:

Employees shall serve as probationary Command Officers for three hundred and sixty-five (365) calendar days from date of promotion.

ARTICLE 6

LOSS OF SENIORITY

An Employee will lose seniority if:

- A. The Employee quits, resigns or is demoted.
- B. The Employee is discharged or demoted and the discharge or demotion is not reversed through the procedures set forth in this Agreement.
- C. The Employee is absent for three (3) consecutive scheduled working days without notifying the Employer. After such absence, the Employer will send written notification to the Employee at his/her last known address that he/she has lost seniority and employment has been terminated.
- D. The Employee does not return to work when recalled from layoff as set forth in the recall procedure.
- E. The Employee fails to return at the conclusion of a sick leave or leave of absence after the expiration of the sick leave or its approved continuances, or the leave of absence. This will be treated in the same manner as Paragraph C., above. Seniority will not be affected under the provisions of the Family Medical Leave Act.
- F. An Employee will lose seniority if the Employee is off work for twelve (12) consecutive months as the result of a non-duty related disability. The Parties agree that the phrase "loss of seniority" does not afford Employer the right to terminate Employee's employment.

ARTICLE 7

LAYOFF AND RECALL

A. Layoff:

- 1. The word "layoff" means reduction of the work force.
- 2. In the event of a layoff, Employees will be laid off in inverse order of their Police Department seniority.
- 3. Employees to be laid off for an indefinite period of time will be given at least fourteen (14) calendar days' notice of layoff. The Union steward will receive a list from the Employer of the Employees being laid off on the same date the notices are issued to the Employee(s).

B. Recall:

1. When the work force is increased after a layoff, Employees will be recalled according to their seniority date with the last person being laid off being the first person recalled.
2. Notice of recall shall be sent to the Employee at his/her last known address by certified mail.
3. If an Employee fails to contact the Director of Public Safety and/or the Human Resources Department within three (3) days of receipt of said notice of recall, he/she shall be considered a voluntary quit.
4. The Employer agrees that no new employees will be hired until the recall list has been exhausted.

ARTICLE 8

UNION BARGAINING COMMITTEE

- A. The bargaining committee for the Union will include not more than two (2) Employees of the Employer and no more than one (1) non-Employee representative of the Union. Prior to any negotiation meetings between the Employer and the Union, the Union will furnish the name of all members of the bargaining committee to the Employer.
- B. There will be no discrimination against any Employee because of his/her Union affiliation or his/her duties as a member of the bargaining committee.
- C. In the event that the negotiation meetings are held at the time when an Employee representative would normally be on duty, said Employee will be paid at his/her regular rate, but only those hours that he/she would have normally been working.

ARTICLE 9

SPECIAL CONFERENCES

During the term of this Agreement, special conferences between the Employer and the Union may be held at any time both parties agree. Such requests must specify the items to be discussed, and no other business except that set forth in the request may be discussed.

ARTICLE 10

REPRESENTATIVES AND UNION RELEASE TIME

A. Representatives:

1. One (1) of the two (2) Employee Representatives on the bargaining committee shall be designated by the Union to act as Chief Steward, one of the others as Alternate Steward, for the

purpose of processing grievances. All other matters will be taken care of by the full bargaining committee.

2. In the event that it becomes necessary for the Chief Steward or Alternate Steward to process a grievance on what would be normal duty time, he/she shall be paid at his/her regular rate for that time just as though he/she were working, provided, however, that such time spent must be kept at a minimum and be reasonable and no overtime shall be paid for the processing of a grievance.
3. The Director of Public Safety/Designee may modify an Employee's work schedule to allow the Employee to participate in Union business and/or negotiations.

B. Union Release Time:

1. It is acknowledged by the Parties that all Bargaining Unit represented employees have regular duties to perform and are first employees of the Township. Therefore, such representatives and employees will not leave their duties without first obtaining the permission of the Director of Public Safety/Designee. Requests for Union release time, paid or unpaid will not be unreasonably withheld. The contract language provides that union release time is for formal special conferences, to investigate and process grievances, and or disciplinary matters, not for general discussion or social union meetings.
2. It is the intent of the Parties that union release time will be utilized in the manner that will least interfere with Department Operations.

ARTICLE 11

GRIEVANCE PROCEDURE

- A. The Parties intend that the grievance procedure as set forth herein shall serve as a means for a peaceful settlement of all disputes that may arise between them concerning the interpretation or operation of this Agreement without any interruption or disturbance of the normal operation of the Employer's affairs.
- B. Any employee having a grievance in connection with his/her employment must present it to the Director of Public Safety/Designee within ten (10) days after the date the employee/union knew or should have known of the alleged violation. The Union may submit a class-action grievance provided it alleges the violation of a specific article or section in which the results would be the same for each employee involved in the grievance. Grievances must be presented as follows:
 1. STEP 1: VERBAL – DIRECTOR OF PUBLIC SAFETY/DESIGNEE: The employee or Union representative must first discuss the specific grievance with the Director of Public Safety/Designee. A Union Representative shall be present at this meeting; otherwise, the disputed issue(s) shall not be considered a formal grievance, as outlined in this Article. The Director of Public Safety/Designee shall attempt to adjust the matter consistent with the terms of this Agreement as soon as possible, and shall, within five (5) days give a verbal answer to the employee and the Union Representative.

2. STEP 2: WRITTEN – HUMAN RESOURCES: If the grievance is not settled at the verbal step, a written grievance may be filed by the Union Representative with the Human Resources Department within ten (10) days after the Director of Public Safety's response at Step 1. The grievance shall state the specific portion(s) of the contract that have been allegedly violated and the specific remedy. A meeting shall be held between the Parties within fifteen (15) days of receipt of the written grievance by the ~~Director~~ of Human Resources Department to discuss the grievance. Within ten (10) days after the completion of the meeting, Human Resources shall give a written response.
3. STEP 3: GRIEVANCE APPEAL PROCESS: The Parties, if mutually agreeable, can utilize the services of a mediator provided through the Michigan Employment Relations Commission (MERC). While mediation is an attempt to resolve the grievance in a manner that is satisfactory to both Parties, such mediation shall not be binding on any of the Parties. At the conclusion of the mediation process, if the Parties do not resolve the grievance in writing, the Parties shall sign a joint written statement that the grievance is unresolved.
4. STEP 4: ARBITRATION: If the grievance is not satisfactorily settled at Step 2, the Union has twenty (20) days from the date of receipt of the Step 2 written statement to apply for arbitration with the Michigan Employment Relations Commission (MERC), or the Federal Mediation and Conciliation Service (FMCS), if it involves an alleged violation of a specific article and paragraph of the Agreement. If the Union fails to request arbitration within this time limit, the grievance shall be deemed not eligible to go to arbitration. The Parties shall choose and agree upon an arbitrator by following the established process and procedure outlined by MERC and/or FMCS. The cost of arbitration shall be shared equally by the Parties.

C. Authority of the Arbitrator:

1. Any arbitrator selected shall have only the functions and authority set forth herein. The scope and extent of the jurisdiction of the arbitrator shall be limited to those grievances arising out of and pertaining to the respective rights of the Parties within the terms of this Agreement. The arbitrator shall be without power or authority to make any decision contrary to or inconsistent with in any way, the terms of this Agreement or of applicable laws, rules or regulations having the force and effect of law. The arbitrator shall be without power to modify or vary in any way the terms of this Agreement.
2. The arbitrator shall have no power to establish or modify job classifications, to establish wage rates, or to change any existing wage rate, work schedule, or assignment.
3. In the event a grievance is submitted to an arbitrator and the arbitrator finds that he/she has no jurisdiction to rule on such grievance, it shall be referred back to the Parties without an award or recommendation on the merits of the grievance.
4. To the extent that the laws of the State of Michigan permit, it is agreed that any arbitrator's decision shall be final and binding on the Union and its members, the employee or employees involved, and the Employer, and that there shall be no appeal from any such decision unless such decision shall extend beyond the limits of the powers and jurisdiction herein conferred upon such arbitrator.

5. In matters concerning discipline imposed, the arbitrator shall have the authority to sustain, overrule or mitigate the disciplinary action.
6. The decision of the arbitrator shall be in writing and due within thirty (30) days of the close of the hearing. This time limit may be waived by mutual written consent of the Parties.
7. The fees and approved expenses of an arbitrator will be shared by both parties.

D. General Conditions:

1. The Parties, in recognition of the cost of arbitration and the principle that like facts should produce like results, hereby agree that once an employee has elected to pursue a remedy by State or Federal Statute or Ordinance for alleged conduct which may also be a violation of this Agreement, such employee shall not have simultaneous resort to the grievance procedure and any grievance then being processed shall be deemed withdrawn by the party filing.
2. Computation of Back Wages: All claims for back wages shall be reduced by any unemployment compensation received during the period in question.
3. Time of Appeals: Any grievance not appealed within the time specified in the particular step of the grievance procedure, shall be considered settled and not subject to further review. In the event that the Employer shall fail to supply the Union with its answer in writing to the particular step within the specified time limits, the grievance shall be deemed automatically positioned at the next step with the time limit for exercising said appeal, commencing with the expiration date of the Employer's period for answering.
4. Nothing contained herein shall be intended to limit an employee's right to discuss normal customary administrative situations with his/her immediate supervisor.
5. Nothing contained herein shall be deemed to limit the rights guaranteed by existing statutes or court decisions.
6. Time limits may be extended or shortened by mutual written consent of the Parties.
7. All references to days as they pertain to the grievance procedure shall mean working days, i.e., Monday through Friday. They do not include Saturdays, Sundays and designated holidays.
8. Records, reports and other information pertaining to a grievance which is requested by the Union shall be made available to the Union, provided the proper representative of the Union makes a request for the specific document referenced above.

ARTICLE 12

DISCIPLINE AND DISCHARGE

- A. Discipline and/or discharge shall be for just cause. Nothing contained herein, however, shall deprive the Employee of the grievance procedure.

- B. The Employer shall provide the Employee with charges and specifications, in writing, at the time of discipline or discharge, with copies to the Union. An exception to this Section will occur when, by the necessity to immediately discipline or discharge an Employee, it is not possible for the Employer to provide in writing the charges prior to taking action. In these instances the Employer shall within twenty-four (24) hours of the initial action, provide to the Employee and Union in writing the charges supporting the discipline or discharge.
- C. Upon request, the Employer or its designee may discuss the discipline or discharge with the Employee and his/her Chief Steward or designee.
- D. Should the disciplined or discharged Employee consider the discipline or discharge improper, the matter may be referred to the grievance procedure at Step II.
- E. In imposing any discipline on a current charge, the Employer will not take into account any prior infractions which occurred more than two (2) years previously, provided that like offenses committed by the Employee are exempt from this Paragraph.
- F. Written reprimands for minor offenses, not resulting in disciplinary time off, shall be removed from the Employee's personnel file one (1) year subsequent to the date of such reprimand, provided that no like offense is committed by the Employee during that year. At the discretion of the Director of Public Safety, removal of such documents may occur after six (6) months. It will be the responsibility of the employee receiving the discipline to request the removal in writing, via the chain of command, to the Director of Public Safety. If the six (6) month request is denied, the denial is not subject to a grievance.
- G. All employees shall have the right to be present and represented by a Union representative at all disciplinary conferences or procedures.
- H. In those cases in which the Union requests Employer to disclose documents relating to discipline and discharge of Employees, Employer shall comply with the requirements of the Public Employment Relations Act.

DRUG POLICY

SUBJECT: DRUG TESTING POLICY S.O.P.:#04-1.506

PURPOSE: The purpose of this order is to provide all employees with notice of the provisions of the departmental drug testing program

SCOPE: To all Chesterfield Township Police Department personnel

POLICY: It is the policy of this department that the critical mission of law enforcement justifies maintenance of a drug-free work environment through the use of a reasonable employee drug-testing program.

The law enforcement profession has several uniquely compelling interests that justify the use of employee drug testing. The public has a right to expect that those who are sworn to protect them are at all times both physically and mentally prepared to assume these duties. There is sufficient evidence to conclude that the use of controlled substances and other forms of drug abuse will seriously impair an employee's physical and mental health and thus, job performance.

Where law enforcement employees participate in illegal drug use and drug activity, the integrity of the law enforcement profession and public confidence in that integrity are destroyed. This confidence is further eroded by the potential for corruption created by drug use.

Therefore, in order to ensure the integrity of the department and to preserve public trust and confidence in a fit and drug free law enforcement profession, this department will implement a drug testing program to detect prohibited drug use by employees.

These cutoff levels are subject to change by the Department of Health and Human Services as advances in technology or other considerations warrant identification of these substances at other concentrations.
